## College of Engineering Alumni Association (CEAAK)

**Govt.College of Engineering Kannur  
Parassinikkadavu (PO)  
Kannur - 670563**

### Annual General Body Meeting Invitation on 15<sup>th</sup> August 2018 (Wednesday) at 10.00 AM

Dear member,

**Warm Greetings from your Alma Matter!!!!**

'GCEK is an institution thrown into the area of technical education with some bugs in its software' – was a statement written in one of the college magazines released in the initial years of our college.....

Past is Past.....Now our institution has become the best sought Engineering college in Kerala with a lot of laurels to its credit. It is an institution with its 4 Under Graduate Programmes, NBA accredited.

Slowly, from an institution providing undergraduate education, the college has grown to take up some research work to provide solution to the societal needs.....

Government too recognised GCEK by sanctioning Rupees 1 crores for the Centre of Excellence in Systems, Energy and Environment. Energy related research is being carried out with the support from Delft University, The Netherlands..... Our Alumni Dr. Aravind P.V. has contributed immensely for this endeavour.....

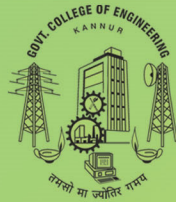

College also has a Rural Technology Development Centre declared in the state budget of 2017-2018.....

The Centre of Information, Communication and Educational Technology supports the schools and libraries in our constituency by providing a good Educational network.....

The college could support around 20 Kuwait Alumni members by providing the necessary support and documents for their Visa renewal and for Residency certificate. Certificates were also issued to Qatar Alumni for similar purposes.....

Our Bangalore local chapter has recently been closely linked to the college chapter through a web interlink and functioning in the Cyberspace in a promising manner.....

It is in the midst of all these developmental, social service and welfare activities, College of Engineering Alumni Association Kannur (CEAAK) is organizing its Annual general body meeting in a grand manner, anticipating a better participation from alumni members. CEAAK invites all alumni members to the Annual general body meeting on 15th August 2018, 10.00 am to 1.00 pm, at GCEK. We expect your presence and your presence is valuable for the college. Your valuable suggestions and interaction with the college will take your college to the pinnacle of success. You are mostly welcome.....

## **Agenda**

***Welcome***

***Presidential address***

***Report***

***Balance sheet***

***Discussion and Approval of Report and balance sheet***

***Discussion for***
